888 Message 205

889 ^{7}{19}{1}A loud banging noise comes from above.

890

891 Message 206

892 ^{7}{19}{1}The crucifix flies

out of your hand and clatters across the cellar floor.

893

894 Message 207

895 ^{7}{19}{1}The dagger leaves your hand and disappears.

896

897 Message 208

898 ^{7}{19}{1}The

cloak rises from your arms and flaps about in the air before coming to rest on the floor.

899

900 Message 209

901 ^{7}{19}{1}The notebook disappears from your arms.

902

903 Message 210

904 ^{7}{19}{1}You hear a door slam somewhere nearby.

905

906 Message 211

907 ^{7}{19}{1}The

air around you suddenly goes strangely dark and cold.

908

909 Message 212

{19}{1}{19}{1}The house seems to pulsate evil as it towers before you.

910

911 Message 213

912 {19}{1}There are

many gargoyles on the front of the house and each one is hideously shaped.

913

914 Message 214

915 {19}{1}The Chandelier is old and probably worth something but is of no importance.

916

917 Message 215

918 {19}{1}The

old table lies bare, like so many years before.

919

920 Message 216

921 {19}{1}The Chairs are old and battered.

922

923 Message 217

924 ^{7}{19}{1}The chairs are too heavy to take.

925

926 Message 218

927 {19}{1}The paintings are faded

and torn and resemble what people call modern art.

928

929 Message 219

930

877

878 Message 202

879 ^{7}A crack of laughter like thunder rocks the ground.

880

881 Message 203

882 ^{7}You start as the

door slams behind you with a loud bang.

883

884 Message 204

885 ^{7}An unnaturally cold breeze sweeps against your face.

886

887 Message 205

888 ^{7}You hear loud sinister footsteps from above.

889

890 Message 206

891 ^{7}The crucifix flies

out of your hand and clatters across the cellar floor.

892

893 Message 207

894 ^{7}The dagger

shakes erratically and disappears from your hand.

895

896 Message 208

897 ^{7}The

cloak rises from your arms and flaps about in the air before coming to rest on the floor.

898

899 Message 209

900 ^{7}You start as the notebook lifts from your arms and disappears into thin air.

901

902 Message 210

903 ^{7}You hear a door slam somewhere nearby.

904

905 Message 211

906 ^{7}The

air around you suddenly goes strangely dark and cold.

907

908 Message 212

909

910 Message 213

911 ^{7}They are

carved into large misshapen animal forms, You wonder who would waste such skill on such morbid things.

912

913 Message 214

914 ^{7}The Chandelier is old and dusty, probably worth something to the right dealer.

915

916 Message 215

917 ^{7}The old table lies bare, like so many years before.

918

919 Message 216

920 ^{7}They are old and battered worthless.

921

922 Message 217

923 ^{7}They are made from oak and much too heavy to move.

924

925 Message 218

926 ^{7}They are faded

away to leave only faint ghostlike images.

927

928 Message 219

929

932 ^{7}{19}{1}Won't budge.

933 Message 220

934 {19}{1}The food is years old and yukky.

935

936 Message 221

937 {19}{1}The gargoyles are impressively carved from stone into grotesque statues.

938

939 Message 222

940 {19}{1}The shelves are empty.

941

942 Message 223

943 {19}{1}The ornaments are just worthless things to brighten up a room.

944

945 Message 224

946 ^{7}{19}{1}Best leave them.

947

948 Message 225

949 {19}{1}Once a proud row of tidy houses, now a row of rubble.

950

951 Message 226

952 {19}{1}The tavern is cold and silent, just like our local.

953

954 Message 227

955 {19}{1}The Church seems to beckon you forward.

956

957 Message 228

958 {19}{1}The window looks out onto the mist shrouded courtyard.

959

960 Message 229

961 {19}{1}The picture is of a smiling old woman sitting in a rocking chair.

962

963 Message 230

964 ^{7}{19}{1}From the corner of your eye you see an old woman in a rocking chair smiling at you.^{7}As you turn your head it disappears.

965

966 Message 231

967 {19}{1}The sign reads "One for the road".

968

969 Message 232

970 ^{7}{19}{1}It's only a shadow.

971

972 Message 233

973 ^{7}{19}{1}The Bay window is nailed shut.

974

975 Message 234

976 ^{7}{19}{1}{18}{0}Something stops you entering the Hazy doorway.

977

978 Message 235

979 {19}{1}Suddenly the Ruby

930 ^{7}Won't budge.

931 Message 220

932 ^{7}The food is mouldy to say the least and best left alone.

933

934 Message 221

935 ^{7}The gargoyles are impressively carved from stone into grotesque statues.

936

937 Message 222

938 ^{7}They have been empty for years now but you can still make out the faint outlines of where the books used to be.

939

940 Message 223

941 ^{7}You ponder on their sentimental value to whoever once lived in this room. To anyone now, there are only useless ornaments to be disregarded.

942

943 Message 224

944 ^{7}Best leave them.

945

946 Message 225

947 ^{7}Once a proud row of tidy houses, now a row of rubble.

948

949 Message 226

950 ^{7}The tavern is cold and silent, just like our local.

951

952 Message 227

953 ^{7}The Church seems to beckon you forward.

954

955 Message 228

956 ^{7}In need of repair but still sturdy enough to last another 100 years of English weather.

957

958 Message 229

959 ^{7}It's of a baleful old woman in a rocking chair. The picture has recently been cleaned!, wonder who would bother to do it?

960

961 Message 230

962 ^{7}From the corner of your eye you see an old woman in a rocking chair.^{7}As you turn your head she disappears.

963

964 Message 231

965 ^{7}The sign reads "One for the road".

966

967 Message 232

968 ^{7}This house seems to be infested with shadows. Every room has a myriad of them.

969

970 Message 233

971 ^{7}The window is nailed shut, probably to keep people out...^{7}Or perhaps to keep something in?

972

973 Message 234

974 ^{7}You stumble as something pushes you away from the hazy doorway.

975

976 Message 235

977 ^{7}Suddenly the ruby

slips from your fingers and disappears.

981 Message 236
