802 Location 3

The Sun God speaks:

"I need your help. You must come with me to the Sun Palace. The Moon Raydiator has stolen the eight rays that should make up to-morrow's sun. Without the rays, the sun cannot shine and all living things will perish.

803

Enter my chariot and we will go to my Sun Palace.

804

805 Location 4

806 You zoom off into the air and finally come to land in the Hall of the Sun Palace.

The Sun God speaks: "The guards managed to surprise the Moon Raydiator, so he only got away with four rays. The remaining four lie hidden in the Sun Palace. We must return them all to the orb before dawn at 6 a.m. Now come with me to the Watch Tower of the Sun Palace. We only have twelve hours to get the eight rays."

{17}{2}DEADLINE is 6 a.m.

{17}{1}There is a strange row of arrows on the floor.

828

829 Location 12

830 You are in the Hi-Fi music room. There are thousands of records and tapes lying around. You can see "You Are My Sunshine", "Let the Sun Shine In" and "I've Got the Sun in the Morning".

831

832 Location 13

833 You are in a box room. Lots of boxes lie around. The place is a mess! To the east you can see a lovely flower garden in full bloom.

834

835 Location 14

836 You are in a beautiful flower garden. All the flowers are in bloom and scent fills the air. A winding path leads up to a rock garden.

837

838 Location 15

839 You are in the Extra Terrestrial Room. It is very dark in here, but you can see faintly a tiny gremlin, a bust ghost and a revolting robbit. They play no part in THIS adventure.

840

841 Location 16

You are in the Palace gymnasium. Here the Palace Guards work out. There is a boxer in the corner, hitting a punch bag very hard! He looks like Sugar Ray Robinson and he has a lean and hungry look. You notice an exit north.

843

844 Location 17

You are in a cosy breakfast room and you can't help noticing that the remains of breakfast are still here. There is a hamster in a cage in one corner and steps lead down to a kitchen.

845

A strange row of crosses on the floor catch your eye.

846

847 Location 18

848 You are in an ornate Sitting Room. On three golden chairs sit Faith, Hope and Charity - the Sun God's beautiful sisters. French windows lie open and there is a path down to the yard and a plate glass sliding door leads eastwards to the SOLARIUM. There is a notice above the door which says: {18}{1}{16}{2}{17}{7}DANGER! VERY HOT!

849

850 Location 19

851 You are in a Solarium. The heat here is almost unbearable. You have a sense of foreboding and feel that you are in danger! There is a partially burnt newspaper on the floor.

852

853 Location 20

854 {18}{1}{17}{6}You are in the Dazzle Room. It is very dazzling. You can see an exit up to the Watch Tower.

855

856 Location 21

857 You are in a kitchen, hung with lovely copper pots and pans. There are steps up to the breakfast room and a door east to the yard.

858

859 Location 22

860 You are in a yard. There is a work shed to the south with a door facing you.

844 Location 14

845 You are in a beautiful flower garden. All the flowers are in bloom and scent fills the air. A winding path leads up to a rock garden.

846

847 Location 15

848 You are in the Extra Terrestrial Room. It is very dark in here, but you can see faintly a tiny gremlin, a bust ghost and a revolting robbit. They play no part in THIS adventure.

849

850 Location 16

You are in the Palace gymnasium. Here the Palace Guards work out. There is a boxer in the corner, hitting a punch bag very hard! He has a lean and hungry look! You notice an exit to the north.

852

853 Location 17

You are in a cosy breakfast room and you can't help noticing that the remains of breakfast are still here. There is a hamster in a cage in one corner and steps lead down to a kitchen.

854

855

856 Location 18

857 You are in an ornate Sitting Room. On three golden chairs sit Faith, Hope and Charity - the Sun God's beautiful sisters. French windows lie open and there is a path down to the yard and a plate glass sliding door leads eastwards to the SOLARIUM. There is a notice above the door which says: {18}{1}{16}{2}{17}{7}DANGER! VERY HOT!

858

859 Location 19

860 You are in a Solarium. The heat here is almost unbearable. You have a sense of foreboding and feel that you are in danger! There is a partially burnt newspaper on the floor.

861

862 Location 20

863 {18}{1}{17}{6}You are in the Dazzle Room. It is very dazzling. You can see an exit up to the Watch Tower.

864

865 Location 21

866 You are in a kitchen, hung with lovely copper pots and pans. There are steps up to the breakfast room and a door east to the yard.

867

868 Location 22

869 You are in a yard. There is a work shed to the south with a door facing you.
